

Galva Zinc Aluminium Gloss

Product codes:

Reference: 470201

EAN13: -

UPC: -

Product attributes:

Color: Metal finish

Volume: 500 ml

Product features:

Product Type: Industrial paints

Volume: 500 ml

Packaging: Box of 12 aerosols

Brand: SOPPEC

Product short description:

The Galva Zinc Aluminium Spray is a purpose-designed paint for cold galvanising of iron and steel surfaces, can be used to touch-up and repair damaged areas of altered zinc, for steel parts, bodywork, fencing, metal buildings and heavy industry. This primer provides a tough, corrosion-resistant and protective gloss coating to iron and steel, leaving the surface with a newly-galvanised appearance

Product description:
